

SPONSORSHIP PROGRAM

Help Support the Arts and Become a Corporate Sponsor

As a 501(c) (3) nonprofit corporation, your sponsorship qualifies as a charitable deduction. STAR programs provide children and teens a safe place to realize their dreams of performing on a big stage. Our programs are designed to engender creativity, instill confidence, build self-esteem, and provide a basis for communication, leading to lifelong skill that will prove invaluable in whatever life choices they may make.

STAR Corporate Sponsorship Levels

Take a look at our sponsorship levels and the benefits you will receive while at the same time helping support our program so that we can keep giving back to the children. Your sponsorship runs for a full year starting from the day you become a sponsor.
